

BROADWAY★BOOTCAMP

is coming to Salt Lake City this June

Join us for a theatrical intensive at Salt Lake's very own EAST HIGH with Kate Reinders!

"Miss Jenn" from High School Musical: The Musical: The Series
in collaboration with Utah's Broadway Kidz

We can't wait to welcome young performers to our high-energy, four-day camp taught by a team of theatrical professionals including Broadway and Disney+ actress, Kate Reinders (best known as Glinda in WICKED, Portia in SOMETHING ROTTEN!, and "Miss Jenn" from High School Musical: the Musical: the Series) Campers have the exciting opportunity to dive into an experience designed to build confidence, creativity, and stage skills through singing, dancing, and acting.

Our fun, supportive environment is great for both entry level performers and those ready for masterclass level opportunities. Performers are grouped thoughtfully by age, talent, and experience level to ensure everyone feels supported and appropriately challenged.

Each week is built around a Broadway-inspired theme and will culminate in a musical revue performance in East High's famous auditorium, filled with songs and scenes connected to that week's focus and hand-picked for the campers to shine.
